Subject: Draft SMDP for Falcon refinery
Date: Thursday, June 05, 2014 3:37:54 PM
Attachments: [Falcon Refinery SMDP for AOC4 6-5-14 draft ver 1.docx](#)

Here is the first draft version. Let me know if you want changes. I did not address human health risk in this document, but I can add a paragraph on human health risk if you think it would help. We should probably send this to the TCEQ risk assessor as well. I think it is Vicky Reat. It would help if she is willing to sign off on this decision as well.
